CARTWRIGHT CREEK UTILITY COMPANY,)	DOCKET NO.
INC.'S PETITION FOR CERTIFICATE OF)	04-00009
PUBLIC CONVENIENCE AND NECESSITY)	
TO PROVIDE SEWER SERVICE)	

ORDER ACCEPTING PETITION TO WITHDRAW

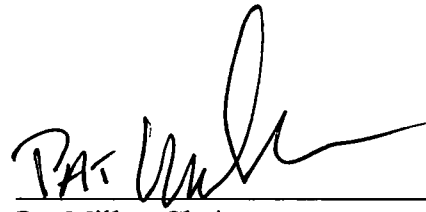

This matter came before Chairman Pat Miller, Director Deborah Taylor Tate and Director Sara Kyle of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on July 26, 2004 for consideration of the *Petition to Withdraw* filed on June 21, 2004 by Cartwright Creek Utility Company, Inc. ("CCUC").

On January 8, 2004, CCUC filed a Petition seeking to amend its Certificate of Public Convenience and Necessity ("CCN") to expand existing sewer service to a portion of Williamson County, Tennessee. Since that time, CCUC has decided to transfer its authority to provide utility services to Sheaffer International, LLC and to seek approval of that transfer by the TRA. Therefore, on June 21, 2004, CCUC filed its *Petition to Withdraw* stating that any petition seeking to amend or otherwise alter CCUC's current authority would be most efficiently and effectively considered following the approval of its transfer of authority. CCUC states that its Petition asking for an amendment to its CCN should be dismissed.

During the Authority Conference held on July 26, 2004, upon consideration of the entire record in this matter, the panel voted unanimously to approve the *Petition to Withdraw*.

IT IS THEREFORE ORDERED THAT:

The *Petition to Withdraw* filed by Cartwright Creek Utility Company, Inc. is approved, and this docket is closed.

Pat Miller, Chairman
Deborah Taylor Tate, Director
Sara Kyle, Director
